

Fire Extinguishers Installation Completion Form

To support First Nation communities in the implementation of the fire extinguisher campaign, FNESS requests the completion of this form to assist in documenting the progress of each community and their success in creating safer homes for community members. **Fire Extinguishers must be installed within 3 months after receiving them.**

Community Contact:

First Nation:	Primary Contact	Email:	Telephone
	Secondary Contact:	Email:	Telephone

Number of Fire Extinguishers received from FNESS	Number of Fire Extinguishers Installed	Number of homes where Fire Extinguishers were installed	Date of installation completion (NOT STARTING DATE)	Signature

1. At the end of the installations, do all homes on-reserve now have a fire extinguisher?

Yes No

If No, provide a valid reason:

**If you were not able to complete the fire extinguisher installation, please describe the reasons and further actions in the box below (i.e. send them back to FNESS). Is there a plan to complete the installation?
