FIRE SAFETY QUIZ

As a class, ask students to circle the correct answer.

4. You get a bowl of soup for lunch and there is steam rising from the soup. You should...

Eat it right away.

OR

Ask an adult to put some ice cubes in it.

5. If you burn your skin, you should...

Cool it under cool water for 10-15 minutes.

OR

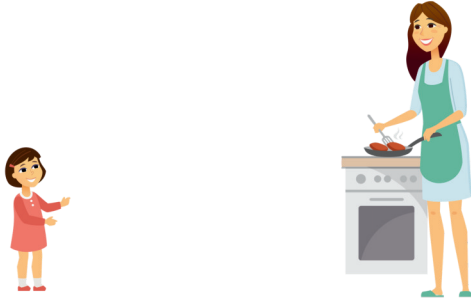

Put ice on it.

FIRE SAFETY QUIZ - ANSWER KEY

1. A grown-up is at the stove, you should...

Stand far away from them.

- Give the grown-up some space to safely cook.
- If you need help or attention, use your voice.

2. A safe place to play is...

In your safe play area away from the stove.

- Grown-ups can help to find a safe play area like the kitchen table, or a play space that is close to the kitchen.

3. You go to the coffee shop and get a hot chocolate. You should...

Ask an adult to make sure it's not too hot.

- A grown-up can taste the hot chocolate before you drink it.
- You can wait a few minutes to let it cool down.
- You can add some cold milk or water.

FIRE SAFETY QUIZ - ANSWER KEY

4. You get a bowl of soup for lunch and there is steam rising from the soup. You should...

Ask an adult to put some ice cubes in it.

- Ice cubes will cool the soup very quickly.

5. If you burn your skin, you should...

Cool it under cool water for 10-15 minutes.

- Put your burned skin under the tap with cool water or put water in a container and wait for 10-15 minutes.
- You can then put a nice dry bandage on the burn.
