

BRITISH COLUMBIA FireSmart™

SMALL ACTIONS CAN MAKE A BIG DIFFERENCE

Pick up your FireSmart guide
at the Administrative Building.

FIRESMART YOUTH HIGHLIGHT

SPRING SCHOOL PRESENTATIONS

This spring, local students learned about wildfire prevention and preparedness through interactive presentations and activities, gaining practical knowledge they can use at home and in the community.

COMMUNITY EDUCATION

Learning about
wildfire prevention and
emergency preparedness.

MEET EMBER

Ember joined the Spring
School Presentations and
helped bring FireSmart
messages to life.

BUILDING AWARENESS

Helping youth understand
how simple actions can
reduce wildfire risk.

FireSmart, Intelli-feu and other associated Marks are trademarks of the Canadian Interagency Forest Fire Centre.

When we take simple steps to reduce wildfire risk around our homes, we help
protect the people, places, and traditions that matter most..

— Candice Seagull **Firesmart Coordinator**

CONTEST

To Enter: Take a before-and-after photo of you putting a FireSmart tip into action. Submit your photos, name and lot number by **August 9th** to firesmart@yuquot.ca

WILDFIRE MITIGATION PROGRAM

Assessments will be conducted on homes in Tsaxana to help identify ways to reduce wildfire risk.

TIMELINE: Summer–Fall 2026

LOCAL FIRESMART COLLECTIVE PROGRAM

Working together to make our community more FireSmart.

firesmart@yuquot.ca

EMBER'S FIRESMART TIP

Storing firewood and fuel against a house poses a major fire hazard. Keep firewood piles at least 10 metres away from the home, or store the wood in a FireSmart mitigated shed.

FEATURE ACTIVITY

FIRE BOX TRAINING

Come out to learn how to hook up a hose to a hydrant and protect your home in the event of a fire.
